

Harbor Tour of Port Tampa Bay

Wednesday, August 24th

Hosted by

Tour Port Tampa Bay (Optional)

Learn about Port Tampa Bay's expansion plans due to the Panama Canal Expansion Project opening in 2016 allowing larger ships to access this port. The port is proposing a refrigerated warehouse and food campus along with a high speed train from Tampa to Chicago to move goods and agriculture products.

****Optional tour limited to the first 55 to register****
